

# Kollel L'Netzach

“Netzach”-Eternity in Hebrew, is a new program which allows you to make a simple monthly pledge, conveniently dividing your yearly contribution into twelve easy-to-manage payments. By dividing your pledge into smaller amounts, you are free of the strain of making a large gift each year. That means less strain on your wallet, and greater cash flow for us, so we can continue to learn and teach Torah and consistently bring you the quality programs you have come to know and expect from your Phoenix Community Kollel. Over 92% of each of your dollars are applied directly to the salaries of your favorite Kollel Rabbis. All *Netzach* will be recognized on a special Netzach recognition plaque at the Kollel. Gifts that accrue to more than \$1,000 will be also recognized on our Scroll of Honor. *Netzach* gifts can also be directed for specific needs or programs. Your monthly Netzach pledge can be conveniently made via post-dated checks, credit card or online banking check. Join the Netzach Pledge Program today and take your place in eternity!
